### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Valerie P. Hayes on 01/17/2006.

The application has been amended as follows:

In claim 1, line 3, "the plurality of pixels" has been changed to ~~each of the~~ plurality of pixels--.

***Allowable Subject Matter***

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The prior arts of record do not anticipate or render obvious to one skilled in the art an in-plane switching type liquid crystal display panel comprising a plurality of pixels wherein each of the pixels being divided into at least four sub-pixels of a 2\*2 matrix array and wherein a liquid crystal molecule alignment direction of each sub-pixel is different from a liquid crystal molecule alignment of each sub-pixels of a vertically adjacent pixel, respectively.
4. An in-plane switching type liquid crystal panel comprising a plurality of pixels wherein each of the plurality of pixels are divided into at least four sub-pixels of a 2\*2 matrix array is known. Further, liquid crystal molecule alignment direction of each sub-pixel being similar to each sub-pixels of vertically adjacent pixel is also known. However, none of the prior arts alone or in combination teach or suggest the claimed limitation of wherein a liquid crystal molecule alignment direction of each sub-pixel is different from a liquid crystal molecule alignment of each sub-pixels of a vertically adjacent pixel, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
